Objective

Energetic and passionate college student with a strong foundation in programming, algorithms, and data structures. Currently pursuing a Bachelor of Computer Science (Honours) degree at Sunway College Kathmandu. Actively seeking internship opportunities to apply theoretical knowledge to real-world projects. Focused on contributing to innovative solutions within the tech industry, I am enthusiastic about the prospect of gaining hands-on experience and making a valuable impact during an internship.

Education

Bachelor of Computer Science (Honours)

Expected Graduation March 2025

SUNWAY COLLEGE KATHMANDU
